An international scientific and practical conference on "**Sustainability of Mountain Ecosystems: Issues of Development and Conservation**" dedicated to the "**Year of Protection of Mountain Ecosystems and Climate Sustainability**" will be held at Osh State University on October 19, 2022. The following thematic sections are accepted for reports at the conference:

1. Mountain ecosystem preservation and conservation as a component of ecological and spatial sustainability;
2. The preservation of biodiversity in the context of mountain ecosystem protection;
3. The use of chemistry and chemical technologies to safeguard mountain ecosystems;
4. Enhancing life quality and human health;
5. Transition to a green economy as a path to sustainable economic development.

Send a participation application as well as reports (articles) stating the section until August 1, 2022, to the organizing committee.

On October 19, 2022, in Osh, Kyrgyzstan

Location: Osh State University, Kyrgyz Republic Ministry of Education and Science

Address: 331 St. Lenin Avenue, Osh, Kyrgyz Republic.
