

## Invention Patent

№	Faculties, institutes	Author. with authors	Patent name	Patent number	Registration date
1	Art	Abdrasulova R.R.	“Method of manufacturing volumetric decorative elements in fur products”	Patent №2218	2018
			“Device for forming volumetric elements”	Patent № 87327 U1	2018
2	Medicine	Yeshiev A.M.	Method of autoplasty of the alveolar process of the upper jaw for congenital cleft	Patent №2062	05.31.2018
3	International medicine	Kaipova A.K. Belov G.V. Kalmatov R.K.	Method for correcting body weight and figure	Patent №2166	03.11.2018
4		Mambetov Zh.S. Bekov T.A. Belov G.V. Umetaliev Yu.K. Mambetova S.Zh.	A method for modeling destructive cholecystitis.	Patent №2184	03.11. 2018
5		Raiymbekov O.R. Zholbolduev Zh.M.	Hardware-free deterterization of internal hemorrhoids and simultaneous removal of external hemorrhoids	Patent №2038	03.30.2018
6	Natural Sciences, Tourism and Agricultural Technology	Murzubraimov B.M. Abdullaeva M.D. Altybaeva D.T.	Method for producing alumina from nepheline syenites	Patent №2132	02.28.2019
7	Medicine	Yeshiev A.M.	Treatment method for progeria	Patent №2180	03.29.2019
8	International medicine	Subanova A.A. Belov G.V. Seitov T.S.	Method for treating chronic periodontitis.	Patent №2207	11.15.2019
9	Mathematics, physics, engineering and	Zhogashtiev N.T. Tashpolotov Yslamidin	Installation for producing coal powder	Patent №2234	30.11.2020

	information technology				
10	Mathematics, physics, engineering and information technology	Matisakov T.K. Smailov E.A.	Calculation program for designing an installation for automatically carrying out the process of post-harvest steam-thermal processing of rice	Computer program №712	2021
11	Medicine	Yeshiev A.M.	Method of surgical treatment of high fractures of the condylar process of the lower jaw with dislocation of the articular head	Patent №2239	01.15.2021
12		Yeshiev A.M.	Method of surgical treatment of mandibular deformities	Patent №2276	12.31.2021
13	Department of Science and Innovation	Kozukulov T.A. Asilbekov T.M. Pusur Tegin Zamir Uraimov R.Zh. Makkambaev D.T.	Automated electronic syllabus, journal and schedule “AESJR” “AERJS”	Computer programs №2022667372	12.16.2021
